**Littlefield Township Cost Recovery Ordinance No. 147**  
**May 6, 2021   TIME: 7:00 PM**

Public Hearing and Meeting called to order by Damien Henning, Supervisor. Roll Call - Present: Dean Morford, Trustee, Katie Derrohn, Trustee, Kim Shomin Treasurer, and Sondra Festerling, Clerk. Guests: Douglas Stutesman, Scott Lauer, Jason Losey, Sue Droste, Dave Droste, and Kim Morgan.

A copy of the proposed Littlefield Township Cost Recovery Ordinance #147 was provided for review for anyone who wanted a copy.

D. Henning presented the reason for the public hearing is to get public comment on a Cost Recovery Ordinance that was presented to the Township by Littlefield Fire Department. The township had their council look over the presented ordinance, and the actual ordinance came back to the township along with a list of charges recommended by the Fire Department at our Regular April Meeting which has led us to tonight's Public Hearing. D. Henning asked if there was anyone in the audience that had any questions on the Cost Recovery Ordinance #147. No questions were presented by the audience.

D. Henning made the **Motion** to close the Public Hearing, Second by S. Festerling and approved at 7:02PM.

The Township Board then went into the Regular May 6, 2021 Meeting.
